

Destroyers of Revival

Acts 28:23-31

Thick hearts, dull ears, and closed eyes.

Destroyers of Revival

- The problem of impurity (Mark 8:15).
 - The leaven of the Pharisees – The Billy Graham (New Evangelical) problem.
 - The leaven of Herod – The Donald Trump problem.
 - Solution: Never seek revival through unbiblical compromise or politics.
- The problem of disunity (Mark 9:17-42).
 - Conflating a party spirit with biblical separation – The Fundamentalist problem.
 - Solution: Separate only for biblical reasons; Lincoln: “I don’t like that man. I must get to know him better.”
- The problem of counterfeiting (Acts 8:9-13, 18-24).
 - See Hank Hanegraaff, *Counterfeit Revival* – The Charismatic problem.
 - Solution: *Sola Scriptura* requires cessationism.
